**Sand Trap Basket**

Modern Plastic Industry is a part of AL SHIRAWI GROUP OF COMPANIES. MPI was established in 1987 and has pioneered the manufacturing of UPVC Pressure & Drainage pipes & Fittings in the UAE. Today MPI has a wide range of SWR drainage, High pressure UPVC, CPVC, PP Compression Fittings and Pipes.

Modern Plastics Industry has led the field in the design and manufacture of specialized PVC Fabricated fittings. Our skilled work force operates within the parameters laid down by the BSI, to produce highest quality fabricated fittings from MPI Kite Marked Pipes & fittings to form, shape and adapt a multitude of plastic product to precise specification.

All the welded joints are spark tested to ensure the weld is strong, air and water tight. Small fabrication of Electric Bell Mouth to complete fabrication of any building plumbing system, our team is fully equipped to provide our valuable clients with the complete solutions suited to their specific tailor made requirements.

MPI Fabricated products are designed and supplied to complement our UPVC molded product range, to resolve the requirements of any on site specials & custom made Fabricated fittings to complete the range for our valued and prestigious projects for our valued customers.

MPI Fabricated products committed with "Quality & Precision"
